

PIPETMAN® *Ultra*

Probably, the Most Comfortable Pipette...ever!

Your benefits

COMFORTABLE OPERATION

- Fits naturally in your hand with its ergonomic design
- Great readability and zero risk of parallax errors with LCD
- Effort less pipetting with easy volume adjustment and lowered pipetting/ejection forces

INCREASED SECURITY

- Zero risk of volume change during pipetting with the lockable volume displayable on screen

EASY MAINTENANCE

- "Do-it-yourself" electronic adjustment
- Easy cleaning with two-part tip holder.

Gilson Secured Pipetting System

ISO 8655-2 recommends the use of tips supplied by your pipette manufacturer for optimal results. DIAMOND tips guarantee that PIPETMAN Ultra meets our specified tolerances.

Complete your equipment with

0.2µL - 10mL

1µL - 300µL

Non viscous
Non volatile
Non dense
