

# REPETMAN®

*The Extensive Motorized Repetitive Dispensing Solution!*

## Your benefits

### HIGH PERFORMANCE

- Fully adapted and intuitive operations with three operating modes: Dispensing, Automated Dispensing and Pipetting

### COMFORTABLE OPERATION

- Easy to use with true-pipetting rate detection and automated adjustment of dispensing rhythm
- Easy battery charge with automatic recharging stand

### WIDE SYRINGE TIP COMPATIBILITY

- Compatible with most standard syringe tips with its open-system

## Gilson Secured Pipetting System

ISO 8655-2 recommends the use of tips supplied by your pipette manufacturer for optimal results. Repet-Tips Syringes guarantee that Repetman meets our specified tolerances.

## Complete your equipment with

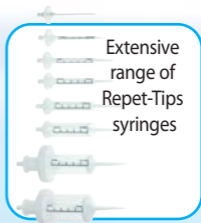

0,1mL - 50mL  
Aliquots range  
1µL - 50mL

All liquid

Battery  
pack

Extensive  
range of  
Repet-Tips  
syringes
